

## 2023 Carbon Black World

Dear partners:

For the first time, "2023 Carbon Black World" will be hosted by Jiangxi Black Cat Carbon Black Co., Ltd. (hereinafter referred to as Black Cat) together with Smithers, The Carbon Black World Conference, organized by Smithers, is the world's leading forum focusing on the carbon black value chain.

As representative of specialty carbon black, Anhui Black Cat will be in charge of the entire specialty carbon black section at the event, Black Cat Senior VP and Anhui Black Cat GM Mr. Paul Zhou will be one of key organizers. Founded as joint equity Venture Company, Anhui Black Cat is fully responsible for the globalization and industry integration of Black Cat and plans to achieve the annual revenue of more than \$200 million of specialty carbon black within 3 years.

## 2023 Carbon Black World
